Ebenazar Gardner, son of Nathaniel & Abigail, Eunice Coffin, dr. Peter Coffin Jr.

Whereas Ebenazar Gardner and Eunice Coffin both of the Island of Nantucket, having declared their intention of taking each other in marriage before several public meetings of the people of God called Quakers in the town of Sherborn, according to the good order used among them, whose proceedings therein after a deliberate consideration thereof (with regard unto the righteous law of God, and example of his people recorded in the scripture of truth in that case) were allowed by the said meetings, they appearing clear of all others, and having consent of parents, guardians and relatives concerned, Now these are to certify all whom it may concern that for the whole accomplishing of their said intention this twenty-ninth day of ye twelfth month called December in the year according to the English account one thousand seven hundred and nine, they the said Ebenazar Gardner and Eunice Coffin appeared in a public assembly of the aforesaid people and others, met together on Nantucket in their place at the house of

And then and there in the said assembly the said Eunice Coffin did in the like manner declare Friends in the fear of the Lord, and in the presence of this assembly I take my friend Ebenezer Gardner to be my husband until death do separate us.

As a further confirmatory they did then and there to these presents set their hands.

And we whose names are hereunto subscribed, being present among others at the solemnizing of their said marriage, and subscription hereunto, have also to these presents subscribed our names the day and year above written.
